52.229-12 TAX ON CERTAIN FOREIGN PROCUREMENTS—NOTICE AND REPRESENTATION (FEB 2021)

(a) *Definitions*. As used in this clause—

Foreign person means any person other than a United States person.

United States person, as defined in *26 U.S.C. 7701(a)(30)*, means—

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of *26 U.S.C. 7701(a)(31)*); and
- (5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) This clause applies only to foreign persons. It implements [26 U.S.C. 5000C](#) and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c)

(1) If the Contractor is a foreign person and has only a partial or no exemption to the withholding, the Contractor shall include the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, with each voucher or invoice submitted under this contract throughout the period in which this status is applicable. The excise tax withholding is applied at the payment level, not at the contract level. The Contractor should revise each IRS Form W-14 submission to reflect the exemption (if any) that applies to that particular invoice, such as a different exemption applying. In the absence of a completed IRS Form W-14 accompanying a payment request, the default withholding percentage is 2 percent for the section 5000C withholding for that payment request. Information about IRS Form W-14 and its separate instructions is available via the internet at www.irs.gov/w14.

(2) If the Contractor is a foreign person and has indicated in its offer in the provision [52.229-11](#), Tax on Certain Foreign Procurements—Notice and Representation, that it is fully exempt from the withholding, and certified the full exemption on the IRS Form W-14, and if that full exemption no longer applies due to a change in circumstances during the performance of the contract that causes the Contractor to become subject to the withholding for the 2 percent excise tax then the Contractor shall—

(i) Notify the Contracting Officer within 30 days of a change in circumstances that causes the Contractor to be subject to the excise tax withholding under [26 U.S.C. 5000C](#); and

(ii) Comply with paragraph (c)(1) of this clause.

(d) The Government will withhold a full 2 percent of each payment unless the Contractor claims an exemption. If the Contractor enters a ratio in Line 12 of the IRS Form W-14, the result of Line 11 divided by Line 10, the Government will withhold from each payment an amount equal to 2 percent multiplied by the contract ratio. If the Contractor marks box 9 of the IRS Form W-14 (rather than completes Lines 10 through 12), the Contractor must identify and enter the specific exempt and nonexempt amounts in Line 15 of the IRS Form W-14; the Government will then withhold 2 percent only from the nonexempt amount. See the IRS Form W-14 and its instructions.

(e) Exemptions from the withholding under this clause are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the [26 U.S.C. 5000C](#) tax are adjudicated by the IRS as the [26 U.S.C. 5000C](#) tax is a tax matter, not a contract issue.

(f) Taxes imposed under [26 U.S.C. 5000C](#) may not be—

(1) Included in the contract price; nor

(2) Reimbursed.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a

specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

SECTION 4 - EVALUATION FACTORS

The Government intends to establish a single indefinite quantity contract that includes a one-year base year plus four (4) 12-month options, resulting from this solicitation to the responsible contractor whose quotation conforms to the solicitation and represents the best value to the Government, price and other factors considered utilizing FAR 13 Comparative Evaluation.

This selection process will utilize FAR 13 procedures.

After preliminary consideration of all offers, the Department will no longer consider offers that do not meet basic standards to be eligible for award. The offers that remain will be subject to a comparative evaluation.

The preliminary evaluation process shall include the following:

COMPLIANCE REVIEW. The Government will perform an initial review of proposals/quotations received to determine compliance with the terms of the solicitation. The Government may reject as unacceptable proposals/quotations that do not conform to the solicitation.

Comparative Evaluation

A comparative evaluation will be performed in accordance with FAR 13.106-2(b)(3). A comparative evaluation is defined as the act of comparing two or more offers in response to the RFQ. The item-by-item comparison is performed by comparing each offer to directly to one another to determine which provides the best value to the Department utilizing **technical, past performance criteria and price** as described below. **This is NOT a low price technically acceptable or trade-off process.**

Evaluation Criteria

Technical: Technical will be evaluated on the basis of a direct comparison to other offers to discern if there is any kind of technical quality superiority that would support an award to a higher priced offer. Technical discriminators by requirement may include:

Minimum Technical Requirements	non-price/quality discriminators
Mobile Telephone Equipment	New Equipment; Current/latest models; World-class brands
Calls within Bulgaria	Domestic network total coverage ; Coverage and reception in/around US Embassy and/or staff residences. Latest technology as proxy for call quality/reception pre 4G/4G/ 5G etc.
International Calls	24-hour coverage for international connectivity with the USA, all European countries, and all other worldwide; Number of minutes included (if monthly); Number of countries outside of USA and Europe
International Roaming	Identification of reputable partner; Number of minutes included, roll-over capability;

Wireless Application Protocol (WAP)	Size/ease of access to Internet connection through offeror's network to the Wireless Application Protocol (WAP) Internet sites.
SMS Messaging	Number of texts per cycle included; 24 hour availability/coverage (no outages or periods of unavailability)
Voice Mail	Amount and duration of storage; Set-up in English
Rental of Cell-phones, with or without SIM Cards	New Equipment; Current/latest models; World-class brands; Phones delivered within 48 hours of notice
24-hour Customer Service	Live human reception after hours; direct line for preferred clients
Detailed Billing of Calls Made	Includes itemized billing per call, minutes, number and total duration; Captures historical usage in regular invoicing; Access online
Data Services	Evidence of reliability/latest technology; Size of plan, i.e. 20GB v. 10GB per plan; No prohibited use of "any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system" per 52.204-24 & 52.204-26.

Past Performance: Past performance will be evaluated on the basis of a direct comparison to other offers to discern if there is any significant past performance superiority that would support an award to a higher priced offer. Past performance as a discriminator may be appropriate where based on the offeror's performance record, the Government has a high expectation that the offeror will successfully perform the required effort.

Price will be evaluated to ensure the proposed price is fair and reasonable. The price will be determined by multiplying the offered prices times the estimated quantities in "Prices - Continuation of SF-1449, block 23", and arriving at a grand total, including all options. The Government reserves the right to reject proposals that are unreasonably low or high in price.
