### 3.0 Contractor Requirements for Providing Official Travel Services

3.1. Taxes - When reservations are made for official business, the Contractor shall ensure that rate does not include taxes for which diplomatic personnel are exempt.

#### 3.2 Transportation

3.2.1 The Contractor shall comply with mandatory Government programs for air travel. Except for the constraints of the "City Pairs" contract program noted below, and the Fly America Act, the Contractor shall book the lowest available fare that satisfies the agency's mission requirements. If reservations made by the Contractor are not at the lowest available rate allowed by policy, the Contractor shall refund the agency the difference. The contractor shall provide the traveler with information on available travel options (available flights/times, prices) within one business day upon receipt of the request.

##### 3.2.2. City Pairs Program

3.2.2.1. GSA has awarded contracts to certain airlines for reduced air fares between numerous city/airport pairs. The contract air service (e.g., 'YCA', '\_CA') is mandatory for official Government travel (which includes all travel funded by the Government), unless the Government approves the use of non-contract fares under the exceptions specified in the FTR. In cases of separate contract awards between specific airports in cities, the traveler may use the airport that best meets their needs without further justification. These contract fares may be obtained only with a GTR, a Government Travel Charge Card or a CBA.

3.2.2.2. Promotional or other types of discount fares can be used on contract city/airport pair routes if they are offered by the contract carrier and are lower in cost than contract fares. Contract fares shall not be used for any

personal travel, including those instances where portions of personal travel are substituted for a leg of an officially authorized trip.

3.2.2.3. There are a limited number of non-contract fares (YDG or similar), restricted to official Government travelers, which are obtainable only with a GTR, Government Travel Charge Card, or CBA. Such fares can only be used when contract fares are not available or when offered by the contract carrier in that city/airport pair route at a lower cost than the contract fare.

3.2.2.4. When non-contract carriers offer restricted or unrestricted coach fares to the general public which are lower than the Government contract fares, the Contractor may only use such lower fares on the application of exceptions contained in the current GSA Airline City-Pair Program. GSA contracts annually for air passenger transportation services between designated city/airport pairs. Since the contract is awarded annually the contractor must check the most current contract found on the Internet at <http://www.gsa.gov>, then click on "Travel on Government Business".

3.2.2.5. It should be noted, however, that any restricted fare which provides for a monetary penalty for itinerary changes or flight cancellations shall not be used without the written consent of the using agency.

3.2.2.6. Full coach fares may be used if no reduced fares are available.

3.2.3 The Fly America Act generally precludes use of non-US flag carriers, except as provided in the FTR and the Foreign Affairs Manual, Volume 14.

3.2.4. The Contractor shall provide the Government with the reservation and ticketing services which industry practice normally accords corporate or private travelers, to include new and improved reservation and ticketing technologies. These shall include a 24-hour, mobile phone number available to travelers to perform emergency itinerary changes and emergency services outside regular business hours.

3.2.5. The FTR prohibits payment for premium-class travel except for a few specific instances. The Contractor may only issue premium class tickets for which the Government will have to pay an additional amount when the accompanying travel orders provide authority for that travel. This does not apply to situations in which frequent flyer benefits will be used to obtain the premium class tickets.

3.2.6. Back-to-back faring, or hidden city ticketing are prohibited under this contract.

3.2.7. The Contractor shall provide the traveler with last seat availability, advance seat assignment, and advance boarding passes on all airlines for which the Contractor can offer these services.

3.2.8. The Contractor shall make adjustments for any change(s) in flight, train, bus or steamship schedules. Tickets and billings shall be modified or reissued to reflect these changes.

3.2.9. The Contractor shall make a timely effort to notify travelers of airport closings, canceled or delayed flights, trains, buses or voyages.

### 3.3. Lodging

3.3.1. The Contractor shall provide lodging reservation services within one business day upon receipt of the request. These services shall include initiating and confirming reservations and confirming the rate at which the reservation is made. The Contractor shall issue hotel vouchers where applicable and upon traveler's request.

3.3.2. Where the Government has agreements with hotels/motels for discount Government rates, the Contractor shall endeavor to obtain such rates for Government travelers. (Frequently these rates are capacity-controlled.) If necessary to obtain Government rates, the Contractor shall call such hotels directly, rather than

by toll-free numbers. The Contractor shall also make available to the Government any lower-priced, guaranteed corporate or other discount rates it has negotiated at these or other hotels.

3.3.3. Final selection of accommodations rests with the traveler. If reservations made by the Contractor are not made at the lowest available Government rate, the Contractor shall refund the Government the difference. Since final selection of accommodations rests with the traveler, the reservations made by the Contractor shall be made at the lowest available rate that complies with the traveler's request, or the Contractor shall refund the Government the difference. Lodging reservations for Federal Government employees on official business shall comply with the Hotel and Motel Fire Safety Act of 1990 (see Definitions). Selected lodging shall comply with the Hotel and Motel Fire Safety Act of 1990, if available, unless an exception is granted by the COR. As stated in the definition in paragraph 2.0, the Hotel and Motel Fire Safety Act of 1990 only applies to the United States and its territories.

### 3.4. Rental Vehicles

3.4.1 The Contractor shall reserve commercial vehicles for Federal travelers, if requested. The Military Traffic Management Command, Department of Defense, has negotiated Government discount rates on an unlimited mileage, flat daily or weekly basis with major rental automobile companies. Participating locations of these companies have agreed to make these rates available to civilian as well as military employees. These companies and their established discount rates are the first source for Federal travelers, as required by the FTR. Considering daily or extended rates, the Contractor shall reserve vehicles from these sources or, if no vehicles are available at Government rates, from other firms at the lowest total cost available to the traveler, which includes full loss/collision damage waiver (LDW/CDW), to the traveler. The Contractor shall issue commercial vehicle vouchers where applicable and upon traveler's request.

3.4.2. The Federal Travel Regulation, Chapter 301 Temp Duty (TDY) Allowances §301-10.450 requires that compact-size passenger vehicles must be used for official travel when the use of a rental car is authorized. It is incumbent upon the traveler to be prudent in selecting the method of ground transportation that best meets the traveler's needs. Therefore, since the final selection of car rental companies rests with the traveler, the reservations made by the Contractor must be made at the lowest available rate which conforms to the traveler's request and the FTR, or the Contractor must refund the agency the difference. If reservations made by the Contractor are not the lowest available Government rate, the Contractor shall refund the agency the difference.

### 3.5. Related Services

3.5.1. Health Requirements. The Contractor shall provide travelers with advice on necessary health requirements, including types of inoculations and vaccinations whether required or suggested for foreign travel. The Contractor shall issue health insurance policy upon traveler's request.

3.5.2. Local Conditions. The Contractor shall provide information and advice on conditions at the various foreign destinations, including climatic conditions, type of clothing which is appropriate or essential, national and religious holidays, location of American embassies and consulates, etc.

3.5.3. Foreign Currency Information. The Contractor shall provide technical advice on such matters as foreign currency exchange rate and transactions, securing auto insurance in conjunction with foreign automobile rentals, excess baggage requirements and fees.

3.5.4. Special Fares/Packages - The Contractor shall advertise special fares/packages and tours in the Embassy weekly newsletter. The Contractor shall make arrangements for this advertisement with the COR.

3.5.5. Upon request the Contractor shall provide assistance with reservations for shipping of pets as excess baggage on regularly-scheduled commercial airline flights.

3.5.6. The Contractor shall provide assistance with booking and confirmation of upgrades, through use of frequent flyer miles, into business or premium class.

3.6. Traveler's Itineraries - The Contractor shall provide to each traveler a complete itinerary document including, but not limited to the following:

- carrier(s);
- flight, train, bus and voyage number(s);
- if applicable, annotate that the traveler refused the contract or lowest fare offered;
- departure and arrival time(s) for each segment of the trip;
- name, phone number, location, room rate(s), confirmation number of hotels/motels booked by the contractor at each destination and guaranteed arrival check-in time, cancellation requirements; and where applicable, tax exempt information. If requested by the Government, the Contractor shall include a clear statement regarding compliance with the Hotel and Motel Fire Safety Act of 1990. If requested, the statement shall read as follows: "The lodging selected satisfies (or does not satisfy) the requirements of the Hotel and Motel Fire Safety Act of 1990." The Government would only make this request if travel will be within an area covered by this Act.
- vehicle rental company, to include name and toll free telephone number of supplier, pickup and return dates, location of pickup, confirmed rate and confirmation number and, where applicable, special pickup instructions and hours of operation, notably for off-airport suppliers.
